Blue day & cool temps.

I'm pleased to report that the McAllen Memorial vertical team orchestra did very well at U/L this last week. Our Sub Non-Varsity (NV) received a 1 on stage, our NV received a 1 in sight reading, and the Cathey Middle School Varsity fall orchestra and Memorial Varsity Orchestra received Sweepstakes awards (1 in both sights reading and on stage.)

We are happy that the work that each group put in reaped at least one award.

*I am thankful my son is getting better
after being ill all week.*
