Lord, I am grateful for this week and every day. Thank you for Val's health report so far and for Mom who's beginning to work out. Thank you for your daily love, grace and forgiveness and all. Bless our clients and please provide them with provision, peace and bless our hands and provide for our needy as well. Lord, please heal our nation and world. Fill our leaders with love and compassion and all they need to demonstrate your love to our neighbors. Take care of Laura and all detained and all who are experiencing loss and grief. Draw us near to you Father.
