lam thankful for my friends being at the game to play with me and my teachers daughter Viv.

God blessed me this week with the opportunity to mentor new students.

Thank you for Judy!

The joy of watching Vela play basketball and our son play a ball tournament

God has blessed me with friends, family and love.

My health continues to improve
- Thank you Lord

Thank you for hearing me out and bringing me to church today

I am thankful that God has lifted some emotional weight and burden off my shoulders

Had a wonderful conversation with my husband. Took a day off to do NOTHING. Had a great drive with my sister:

Blessing of a loving church family

Please pray for better financial budgeting and time management and to treat my family better.

Judy! A true servant of God:
