Lord, We lift up the Martinez and Farias families. Bless them, comfort them and carry them as they grieve the loss of their mom/wife, Tia Anabella. Please continue to comfort others who also are grieving loss. Lord, please bless Val and his counseling practice. Lord, thank you, that Val's eye surgery/procedure went well. Thank you for your gift of peace. Thank you for your provision, love, grace, daily bread, and all that you know what we need as your children. Thank you for Tia Anabella and for the life she lived and the love she had for you and others.
