God has blessed me with children in  
worship today

Family

Thank you all

Thank you Father for your providing for the blessing of a new roof. Thank you for your covering/protection and constant companionship. Thank you that Mom's stress test went well. Thank you that Elyse & Ka'ini settled on some ways Lord. As they prepare for marriage may your will be done in their lives and that they include you, embrace you and come into relationship with you. Please bless all Your creations.

I get to love the love of my life
